RE: **DOCKET NO. 497**– Burlington Solar One, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a 3.5-megawatt AC solar photovoltaic electric generating facility located at Lot 33, Prospect Street, Burlington, Connecticut and associated electrical interconnection.

Dear Attorney Hoffman:

The Connecticut Siting Council (Council) is in receipt of the municipal participation fund fee submitted in response to the Council's January 25, 2021 notification of an incomplete application for a Certificate of Environmental Compatibility and Public Need (Certificate) with regard to the above-referenced matter.

Also, the Council is in receipt of your correspondence submitted in response to the Council's January 27, 2021 notification of an incomplete application for a Certificate with regard to the above-referenced matter providing:

- 1) a copy of the notice of the application published in a newspaper having general circulation in the Town of Burlington dated January 27, 2021; and
- 2) web links for the Town of Burlington's Zoning Regulations, Wetland Regulations and Plan of Conservation and Development dated January 27, 2021.

These submissions render the application for a Certificate complete and the Council will process the application in accordance with Regulations of Connecticut State Agencies Section 16-50/-1a.

Thank you for your attention and cooperation.

Sincerely,

s/Melanie A. Bachman
